“SCIENCE HAS PROVEN  
THAT IDEAS EMERGE  
WHILE BEING IDLE,  
LETTING THE MIND  
ROAM AND THE SPIRIT  
WANDER”

*.... says globally revered trend expert Li Edelkoort. Time a moment for you and make your home feels like a Spa with our new range of aromatic and calming notes, available in 5 variants: hand wash, body wash, body lotion, shampoo and conditioner.*

## SPA DE PROVENCE NEW FRAGRANCE

*Calming Park's new collection created with Lande, is a invitation to a imaginary Provence's spa journey.*

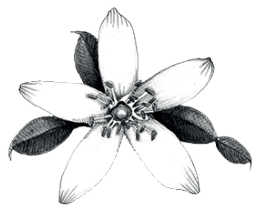

*The five dispensers add a touch of elegance to your home and to your travels thanks to their classic design and high-quality finish. Each product is available in 300ml size and conditionned in 100% post-consumer recycled bottle that can be recycled.*

*Inspired by one of the first Calming Park candle that the brand has released at that time for the immaculate Terre Blanche's resort in Provence, the scent has been revisited with a focus around petit-grain, bergamot and tea leaves.*

*The fragrance  
of the morning haze  
in a Provence garden,  
the purity of orange blossom  
and petitgrain meet  
the mesmerizing bergamot,  
pomelo and tea leaves.*
