PRESERVING NATURE

PRESERVE NATURE WITH ECOLABEL COSMETIC

Eco think green is our most **eco-friendly** collection of amenities, perfect for those hotels committed to sustainability, who wish to contribute to the conservation of the planet.

Its cosmetics have a natural formulation with a reduced environmental impact on aquatic ecosystems after use and rinsing.

The cosmetics have a pleasant and genuine fragrance with citrus and floral top notes, which also has the European **Ecolabel certification**.

DISPENSERS

Eco Think Green offers an exclusive line of products: shampoo, bath gel, conditioner, hand soap and body lotion. Moreover, the bottles are made of recycled and recyclable PET.

ENVIRONMENTALLY FRIENDLY COMPLEMENTS

Eco Think Green

Complements are made from renewable waste plants. The final product shows a unique wheat fiber effect, clearly different from the standard product.

Besides, the packaging is made of FSC certified paper, guaranteeing a sustainable management of our woods.

COMPLEMENTS

Complements presented in a sealed bag of FSC certified paper with easy opening. Toothbrush, razor and comb are made of wheat fiber. Shower cap is made of cornstarch and the vanity kit presents its cotton swabs stick made of paper.

A photograph showing two hands, one from the left and one from the right, gently holding a small green seedling with several leaves. The seedling is rooted in a small mound of brown soil. The background is a blurred landscape of blue mountains under a bright, hazy sky. The overall tone is natural and hopeful.
