

LANDE  
INFANTIL

## infantip

A magical collection of children's accessories inspired by the care and fun of the little ones. A few drops of innocence, with fresh air, mixed with cute little animals that will make your stay an unforgettable adventure.

Recycled cardboard case with a cute sponge in the shape of a duck, an ergonomic toothbrush adapted to the size of the little ones, with a hygienic cap, and foramen brand toothpaste with a pleasant and refreshing strawberry flavor, so that you don't they take away the desire to eat the world!
